Produce \$25,000 APV ... You're on Your Way to the **GRAND DIAMOND JUBILEE!**

ONE WEEK LEFT!

Get ready to “Rock and Roll” your way into the New Year! By producing \$25,000 APV during the Grand Diamond Jubilee, October 16 – November 25, 2006, you will be inducted into the Life/Health “Hall of Fame” as a Grand Diamond or Honorary Grand Diamond achiever!

It takes effort to be a Grand Diamond Jubilee winner ... but focusing on writing one more Winner’s Score can make it happen! Use the following tips to help you become a “star” producer:

- **Keep your goal – \$25,000 APV or more – in front of you.**
- **Stay in your activities.** Writing a Winner’s Score or more during the week depends on setting appointments, asking for referrals and going the extra mile. Know what you need to do to accomplish your goals.

- **Think like a winner.** Focus on having fun and keeping positive! It is easier to achieve your goal when you remember what is at stake.

Get Ready to Play Hard!

Grand Diamond Jubilee winners will be whisked away to a weekend in Chicago fit for a “rock star,” January 5-7, 2007! You’ll “live like a star” at the Hard Rock Hotel ... dine and dance with Life/Health “celebrities” at The Shedd Aquarium ... and, best of all, receive your Grand Diamond or Honorary Grand Diamond during this unforgettable weekend!

Set your sights high during this final week, and you’ll be on your way to Life/Health “fame.” Wrap up your Grand Diamond during the Jubilee and you will be on your way to a “superstar” experience unlike any other.

YOUR WAY to the

GRAND DIAMOND JUBILEE

October 16 - November 25, 2006

Catch the beat to achieve your WCS Grand Diamond Award during this program that takes our winners to the famous Hard Rock Hotel in Chicago ... and a prestigious black-tie dinner and dance at the world-renowned Shedd Aquarium! There, you'll be rockin' with the fishes while you tell your story of how you soared to stardom as a Jubilee winner during one of our most exciting programs of the year!

To make sure you can join in on the fun, keep the following in mind during the remaining weeks of the Grand Diamond Jubilee:

- **Focus on referrals.** Referrals are easier to close than cold calls ... helping you to produce more APV in less time.

- **Be Monday Ready.** Have five or more appointments scheduled for the next Monday by check-in on Friday. Start the week out strong with a minimum of \$3,000 APV.
- **Make it a team effort.** Form a Master Mind Alliance with your manager and your significant other. Sharing your goal with others will help you achieve it.
- **Have fun!** The Grand Diamond Jubilee is one of the most rewarding programs of the year. Enjoy your time in-field during these important weeks ... and you'll be enjoying a weekend in Chicago in return, January 5-7, 2007!
