SUBJECT:

Re: Kosmic Outcast
RESTRICTED
Seen in Addison, Ill, outside of Chicago
Believed to be based on a 1940 Ford
Believed to be a serious threat to hot
rodding. Designed and built by
Hot Rod Chassis & Cycle.

Coming off the success of the 1933 Ford pickup "Tangerine Scream" Show Rod and the Rabyestos 1964 Pontiac GTO-R Give-A-Way car, Hot Rod Chassis & Cycle introduce the "Kosmic Outcast". It is a 1950s style SHOW ROD based on a 1940 Ford pick up but really there is very little of that original truck cab that is still easily identifiable. In fact, it is out of this world...

Product Feature Opportunities for Project Build Partners:

- 800hp Stroked & blown 394 Olds Rocket
- 6 Edelbrock 94's
- Fuel System
- 5 Speed transmission
- Heavy duty racing clutch & pressure plate
- Short-throw shifter
- HRCC-fabricated headers
- Custom performance exhaust
- HRCC 9" rear end with control arms
- I-Beam Axle Front Suspension w/ Hair Pins
- Coil over rear racing shocks
- Radir Bullet Spoke wheels
- Radir Slicks
- Firestone "pie crust" front tires
- Interior seats & upholstery
- 9" Axle components
- Steering wheel
- Electrical components
- Steering components
- Paint
- Battery

2012 Partners to date...

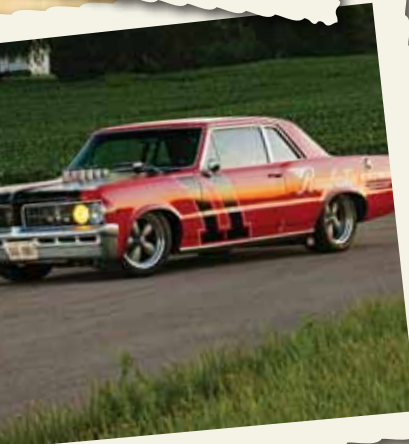

- Aeromotive:** Fuel System
- House Of Kolor:** Paint
- Painless:** Wiring
- Moser Engineering:** axle components
- Stewart Warner:** Guages
- Spal:** Cooling
- Steele Rubber:** body gaskets
- Hurst:** Shifter/Line Lock
- Taylor/Vertex:** Wires
- Flaming River:** Steering equipment
- Ridetech:** Shocks
- Power Master:** Alternator/Starter
- American Powertrain:** Clutch system
- Manley:** Rods/Valves
- Comp Cams:** Valve Train
- Classic Tube:** Brake System Components
- JE Pistons:** Pistons
- Tech AFX:** Fuel Lines and Fittings
- Miller Welding:** Welding Equipment

Planned 2012 Promotion of Project Build:

- Cover Feature in **Traditional Rod & Kulture Magazine**, and PR campaign; targeted to enthusiast, racing, and automotive trade
- Entire buildup chronicled on Hot Rod Chassis And Cycle Build Blog, and focus of social media campaign (HRCC Blog, Facebook, YouTube,)
